

2024 Gala for Life Sponsorship Information

In 2023, Women's Help Center helped more than 1,800 abortion-vulnerable women choose life for their unborn babies. These women were scared, alone, often victims of abuse, and felt that aborting their child was the only way out of a desperate situation. Many of these women had already scheduled abortion appointments when they walked through our doors, mistakenly assuming we were an abortion clinic due to our proximity to Jacksonville's abortionists.

The compassionate and non-judgmental support Women's Help Center provided empowered these women to make life-affirming decisions. In addition, Women's Help Center counseled over 1,200 abortion-minded women who thought they were pregnant but were not. We ministered to them and helped them understand that every life is precious and created by God. We also provided free diapers, formula, clothing, and other baby supplies to nearly 900 needy families.

Over the past 34 years, Women's Help Center has been a beacon of hope for countless women and families. Tens of thousands of babies have been born as a result! While we rejoice in the thousands of lives changed during this time, we recognize that much work still needs to be done. Abortion remains rampant throughout Florida and the United States.

Our ability to assist such a vast number of women and families would not be possible without the prayers and support of pro-life individuals, churches, and businesses. I invite you to join these supporters by sponsoring the upcoming Women's Help Center Gala for Life.

This year's Gala, scheduled for May 23, 2024, promises to be an inspiring event. We are excited to welcome Ingrid Skop, M.D., FACOG, as our keynote speaker. Dr. Skop serves as the Vice President and Director of Medical Affairs for the Charlotte Lozier Institute. With more than 25 years of experience as a practicing obstetrician-gynecologist, Dr. Skop has not only healed countless women who have experienced abortion, she has also tirelessly advocated for policies that honor the dignity of human life. She is a true powerhouse, fighting passionately for babies and their mothers!

With two offices in Jacksonville and one in Callahan, Women's Help Center is the only pregnancy center in Northeast Florida on the front lines of the pro-life battle. We are open six days a week to provide life-affirming options and support to women and families. Our mission is to build a community where *all life* is protected and celebrated.

Join us in making a difference. Together, we will continue supporting women and protecting the sanctity of life. Please refer to the enclosed Sponsorship Opportunity page for details on the benefits available at the various levels. You may complete and return the enclosed Sponsorship page or contact Sheila Sexton, our Office Administrator, at 904.398.5143 for more information. We hope to partner with you as we continue our mission to protect the lives of vulnerable women and babies and foster a culture of life in our community.

Thank you for all you do for life. May God bless you and your loved ones!

In Christ,
Nancy Basham
Executive Director
